

AGNES ETHERINGTON ART CENTRE AT QUEEN'S

JOIN THE **AGNES**

The Agnes Etherington Art Centre's membership program reaches out to art lovers on campus, in the community, and beyond. Members sustain and advance the Agnes as a leading art museum and social hub. Join now to be involved in the work of the gallery, and to connect with artists and art through appreciation, learning, creation and participation.

Membership benefits include free gallery admission, bulletins and newsletters, discounted access to fee-based courses, programs and ticketed events, and invitations to special Members' events with visiting artists, curators and scholars. Curator's Circle and Director's Circle Members enjoy additional behind-the-scenes access and annual recognition events.

Current Gallery Association (GA) membership privileges will be honoured to the end of 2014. In addition, to recognize the long-standing contributions of that organization to the gallery, GA members are eligible for a free Agnes membership concurrent with their present GA membership. To take advantage of this special offer, apply for Agnes membership by 31 December 2014 and flag your status as a GA member.

For more information, contact Membership Coordinator Natalie Nossal at agnes.membership@queensu.ca or (613) 533.2190.
