## Information for Teachers Bringing Self-Guided Groups to Agnes

We welcome teachers to bring classes in for self-guided tours of Agnes. The following information will help your visit run smoothly:

- Please let us know when you plan to visit by emailing us at [aeacpa@queensu.ca](mailto:aeacpa@queensu.ca)
- Admission is free, but donations are welcome

### Supervision:

We recommend the following ratios of supervisors to students:

- JK to Grade 3 — 1:5 Students
- Grades 4 to Grades 6 — 1:8 Students
- Grades 7 to Grades 8 — 1:10 Students
- Grades 9 to Grades 12 — 1:15 Students

There must be always an adult supervisor in each gallery space with students.

### Before Your Visit:

Before your visit, please discuss gallery etiquette with your class:

- Do not touch the artwork unless a sign explicitly indicates you can! The oils on our hands contain salt that can damage the surface of artworks.
- Photography is permitted unless a sign says otherwise. Please don't use flash.
- Please leave larger items, such as backpacks and umbrellas, in our cloakroom.
- Please use pencils. Pens are not permitted.
- Do not lean on the walls or display cases.
- We ask that visitors walk and not run and use indoor voices.
