TRANSCRIPT

Qanita Lilla: Have you ever wondered what inspires creative hearts and minds? We are back with a second season of *With Opened Mouths: The Podcast*, where we give artists, poets, performers, activists and curators a platform to speak about what motivates them to imagine new worlds.

I'm your host Qanita Lilla, Associate Curator, Arts of Africa at Agnes Etherington Art Center. Join me and creatives from Kingston and beyond as we talk about what makes creative practice so profoundly human? Which projects do they carry close to their hearts? Who inspires them? What futures do they imagine?

Subscribe now and join us every month as we listen to the sometimes-unexpected paths of these exceptional people. *With Opened Mouths* is back this January.
