JOIN THE **AGNES**

The Agnes Etherington Art Centre's membership program reaches out to art lovers on campus, in the community, and beyond. Members sustain and advance the Agnes as a leading art museum and social hub. Join now to be involved in the work of the gallery, and to connect with artists and art through appreciation, learning, creation and participation.

To enhance enjoyment of all that the Agnes has to offer, each membership comes with an additional designated free membership for a spouse, friend or loved one.

Membership benefits include bulletins and newsletters; discounted access to fee-based courses, programs and ticketed events; discounts on publication purchases; and invitations to special Members' events with visiting artists, curators and scholars. Curator's Circle and Director's Circle Members enjoy additional behind-the-scenes access and annual recognition events. Agnes members can also participate in reciprocal benefits and admissions offered through the Ontario Association of Art Galleries (<http://oaag.org/membership/reciprocal.html>).
